OLD BUSINESS

Sorry for the technological goof we had in not-mailing and not e-mailing last month's newsletter. Christopher and Don are committed to excellence as it showed last month. Better luck this month! We did have the newsletter on-line, the day of the meeting. Any questions or comments regarding updating or modifying the web page need to be directed to Stephen Nelson or contact Christopher or Don with your concerns. Stephen Nelson has worked on our web page diligently, so we encourage all members to use this to a full extent. The Ozark Chapter is still looking for possible instructors to take over at SMSU for Gary Bockman.

NEW BUSINESS

May 5th, a Board of Directors meeting will be held in the Club Room, Witch's Cove Golf Club, Lodge of Four Seasons at Lake Ozark. We voted to give a newly licensed PLS one free year of membership to the Ozark Chapter. Kevin Lambeth is organizing an on-line One-Call ticket class to be held the week of May 17, tentatively scheduled. We will have definite time and locations at the next business meeting.

A news release was put in the Christian County newspaper regarding the past Trig-Star contestants at Sparta High School. Congratulations for their efforts. We donated \$100.00 to the Salute to Construction organization, as we have done in the past. We are considering inviting SMP and G.P.L.S. to a regularly scheduled meeting for questions or concerns regarding our local area locators and a meet and greet night. We are also considering inviting surveying equipment related sales representatives to a summer meeting, possibly at the Tech-House. Input is requested at the next meeting, please. Pete Stevens and Gary Bockman have handed out scholarship information to Gary's classes for applicants. Seminar fees were discussed if prices should be subject to change regarding membership status.
